

Antiperspirant Actives

For use in aerosols, roll-ons, creams, clear gels and stick/soft solids

- Aluminium Chlorohydrate
- Aluminium Sesquichlorohydrate
- Aluminium Chlorohydrate Glycine Calcium Chloride
- Aluminium - Zirconium Pentachlorohydrate
- Aluminium - Zirconium Tetrachlorohydrate Gly
- Aluminium - Zirconium Octachlorohydrate Gly
- Aluminium - Zirconium Octachlorohydrate Gly Calcium Chloride.
- Aluminium - Zirconium Trichlorohydrate Gly
- Other applications include use in fibres, glass, binders, refractory & ceramics and as a flocculent in emulsion paints and waste water treatment systems

Pigments

Pearlescent Pigments

- Cosmetic grade pearlescent pigments including unique effects based on synthetic mica (fluorophlogopite) and borosilicate

Vaccine Adjuvants

Aluminium Vaccine Adjuvants

- Aluminium Hydroxide gels & fluids
- Aluminium Hydroxyphosphate

Natural Ingredients

Seaweed

- Seaweed powders, liquids & gels
- Ascophyllum Nodosum
- Fucus Vesiculosus
- Chondrus Crispus
- Palmaria Palmata
- Laminaria Digitata
- Furcellaria Lumbricalis

Zinc Oxide

- ZinClear XP - Powders
- ZinClear - TDS vegan / organic dispersions
- ZinClear - TDS classic dispersions
- Ecocert / Cosmos certified
- Vegan / Organic

Fillers & Suspending Agents

Bentonite

- Micronised BP grade Wyoming bentonite clay for pharmaceutical use, cosmetics, personal care and health foods
- Suspending agent / carrier
- Filler
- Sealant / binder
